

## Fraction Multiplication Notes

How do we multiply together? \_\_\_\_\_

---

Numerator =

Denominator =

$\frac{\text{numerator}}{\text{denominator}}$

**Ex. 1** Multiply and reduce if necessary.

**Ex. 2** Multiply and reduce if necessary.

**Ex. 3** Multiply and reduce if necessary.

**Ex. 4** Multiply and reduce if necessary.

**Ex. 5** Multiply and reduce if necessary.

**Ex. 6** Multiply and reduce if necessary.

**Y.T.A** Multiply and reduce if necessary.

**Y.T.B** Multiply and reduce if necessary.

**Y.T.C** Multiply and reduce if necessary.
